VOTE FOR HARRY WOOD TO KEEP GLASTONBURY TOWN COUNCIL **GREEN**

HARRY WOOD is Co-ordinator of the Glastonbury & Street Green Party and has been involved with the Green Party since 2014. With a Doctorate in History, he is a Rights of Way Officer at Somerset County Council. Harry says:

"I strongly believe in **co-operation and dialogue**. The adversarial nature of the current political climate is disastrous for democracy and political accountability. The climate and ecological emergencies should be the starting point for all political and policy decisions, and this is as important at the **local level** as it is in Westminster."
